

For real-time fuel management, just login.

CompacOnline connects you to your site controller via the internet, making 24/7 fuel management easy.

Login from any web browser to view site data in real-time. No matter where you are, you can access up-to-the-minute details at the click of a button.

CompacOnline offers great flexibility in online fuel management ...

Main Features

- **Manage Customer Account Cards** - view transactions, validate or invalidate cards, update user details
- **Adjust Pump Pricing** - select the price you want and when you want this to change
- **View Transactions** - including Credit Card, 'White' card and Eftpos transactions
- **Tank Gauging** - monitor tank levels, temperature, safe fill level and other important information
- **Run Reports** - export information from CompacOnline in PDF or Excel format

Advantages of CompacOnline

- **Remote Access** - allows you to manage your site 24/7, from anywhere with internet access
- **User-Friendly** - very little skill or training required to use CompacOnline
- **No Software Hassles** - no software to install or maintain, saves you time and computer memory, and you are not limited to having to use the same computer everytime
- **Keeps your Data Safe** - no need to worry about your computer crashing and losing data as everything is stored on a secure server and backed up regularly
- **Secure** - access only over SSL (HTTPS) with login & password

Security is our Priority

- All data is stored in our secure data centre
- Access is only over SSL (HTTPS) with logon and password
- Strong passwords are required and can be changed according to the required security level
- Functionality for particular users can be limited: for example, set price cannot be changed by an unauthorised person

Can my existing Compac equipment connect to CompacOnline?

Yes, interfaces and upgrades are available for the Compac Central Controller, Communicator Controller, OPT, DCA and ComFutra through:

- ADSL broadband
- 3G Wireless broadband
- Satellite broadband
- Your local area network

How much does it cost?

CompacOnline has low monthly running fees, and a one-off set up charge. For further information on pricing and features specific to your business requirements, please talk to your local Compac representative.
